Corrigendum

Guha M. (2017). The changing nature of work, leisure and involvement in society: some possible ideas from an old philosopher. *Journal of Mental Health*, 27, 1–3.

When the above article was first published online, the reference ‘Wilson RG, Pickett KE. (2009). The spirit level: Why more equal societies almost always do better. London: Allen Lane.’ was listed with an error in the author name. This has now been corrected in both the print and online versions to ‘Wilkinson RG, Pickett K. (2009). The spirit level: Why more equal societies almost always do better. London: Allen Lane.’
